

Supporting Families during California Wildfires

Essential Resources for Safety and Well-Being

As wildfires continue to impact communities across California, AP-OD is committed to sharing vital resources to help families stay informed, safe, and supported.

Below, you'll find essential links to disaster readiness guides, emergency support, and tips for navigating these challenging times.

Local Support for Los Angeles Families

- **PBS SoCal Wildfire Resources:** Stay updated with news, safety tips, and community resources to navigate the wildfires.

Prepare and Stay Safe with Listos California

- **Disaster Readiness:** Learn how to prepare your family, pets and home for wildfires and other emergencies. Access step-by-step guides and checklist here.
- **Emergency Resources:** Explore a variety of tools, including evacuation tips, safety kits, and resources for vulnerable populations.

Comprehensive Emergency Guidance

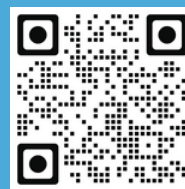

- **CalHHS Emergency Resource Guide:** This guide provides detailed support for physical and mental health, housing assistance, and more during emergencies.

App for Updates & Information

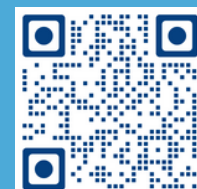

Watch Duty: Stay informed about wildfires in real-time with this free app

We'll also post resources on our Family App

For iOS

For Android

We encourage you to explore these resources, share them with your network, and prioritize your family's safety and well-being. Together, let's lean on one another for strength as we navigate these challenging times with resilience and community support.
